Mr. Taylor is a very well-known and cheerful figure here at James Lick. He has one of the toughest jobs that one may handle. After all, watching over 1,200 young people is a difficult task. Mr. Taylor, our beloved principal, seems to take it calmly, which goes to show how proud he is of his profession.

Mr. Taylor first began teaching in 1950 at Orchard Elementary School. He later came to Lick in 1955 as a math teacher. In 1963, he went to Samuel Ayer High School as an assistant principal. He then became a principal in 1968 at Overfelt High School. But before long he came to good old Jimmy Lick in 1973 as our dedicated principal.

But besides being a principal, he is also a husband and a father. He has been married to his wife, Jackie, for twenty-nine years and has three sons: John, who's 28, Mark 24, and Tom 21, all three of whom are graduates of James Lick. Mr. Taylor himself is a graduate of San Jose High and is a native of San Jose.

The yearbook staff of 1981 dedicates this yearbook, ***Journey to the Stars,*** to Mr. Taylor because he is one of the most dedicated and deserving figures here at James Lick.

B.S.U. KING AND QUEEN

Mont & Gina

Gina Brewer and Ron Stewart

Mont Williams and Stacy Palmer

The Black Student Union had a great assembly on February 11, 1981. The assembly started off with Jessica Jones and Detra Murphy announcing the B.S.U. King and Queen candidates. Gina Brewer and her escort, Ron Stewart, lead the Queens way up, with Kandy Douglas and her escort, Michael Parker, following. Then Stacy Palmer, a queen candidate, was escorted by Mont Williams, a king candidate. Frank Bolling followed with his escort, Karen Bankhead, followed by Pat York escorted by Carmela Smith. Last year's B.S.U. King and Queen could not make the assembly, so last year's candidate, Patricia Jones, filled in their spots. Frank Bolling addressed the audience with a speech by Martin Luther King Jr., followed by a recording of Stevie Wonder's song "Happy Birthday Martin Luther King Jr." Jennifer Jones delivered a speech about Harriet Tubman before Mrs. Youngblood's sister sang a solo. The student body was given a special treat, Thomas Penn and his group sang a little tune. The final moment arrived, Mont Williams and Gina Brewer were announced B.S.U. King and Queen. Congratulations!

To Members of the Argus Staff:

I should like to thank you for providing another impressive yearbook. With clarity and poignancy, it records the events for the 1980-81 school year. I am sure that with the passing of time, this book will become a cherished possession.

In future years as students open the pages of the Argus and relive the experience that they have had at James Lick, I hope that they will be able to look back at these years as a pleasant and productive period in their lives.

On behalf of the James Lick teachers, I congratulate the Argus staff for an outstanding effort.

All students are welcomed to a roller skating demonstration assembly during December, supported by the Roller Skating Club.

WATER SKI CLUB

The Water Ski Club is one of the many new clubs that has been organized this year. We have many ideas that will help improve our well inspired group throughout the year. We would like to have you share the experience of having your body skim across the clear water at 40 m.p.h. after you forgot to let go of the rope when you fall. Take if from us, it's a *great* feeling to have your lungs fill up with water as you feel yourself being propelled towards the bottom of the lake. Happy Skiing!

BLACK STUDENT UNION

Black Student Union is a very active club at James Lick. One of the most exciting events they put together is the annual B.S.U. King and Queen assembly which takes place during the month of February.

MEXICAN-AMERICAN YOUTH ORGANIZATION

This years M.A.Y.O. Club got off to an excellent start. They held their first luncheon in November. Club members donated and cooked the entire meal that kept the Comets warm with chile and enchiladas. The club is also in the process of co-sponsoring an A.S.B. dance with the B.S.U. club.

Cinco De Mayo, again, will be a time for a great deal of festivities. The club once again planned a great celebration.

Special thanks to all the members of the club, especially Ricky Mora, President, Randy Lira, Vice President, Corinna Romero, Secretary, Veronica Vargas, Treasurer, and Vivian Bejarano, Sgt. at Arms.

FRENCH CLUB

The French Club is an organization dealing with the French culture. Some of the activities include eating French food and other numerous things

"Did you hear that new joke...?"

F.F.A

The F.F.A. is a club made up of students from the agricultural science and mechanics classes. One of the most popular activities is the annual chicken B-B-Q and "bucking barrel" on Comet Games Day.

SNOW CLUB

The Snow Club is composed of a group of dedicated snow enthusiasts who plan to revel in the pleasure of winter's wonderland by means of numerous trips to the Sierra Nevada ski slopes.

The Wrestlerettes had another fine year of sponsoring the wrestlers and becoming a service organization for the school. The girls helped Coach Carr at dual matches by keeping scores and statistics for the Comet grapplers. The girls aided the wrestling team with their car wash to raise money for uniforms. The girls sold Halloweeen grams as part of a very successful year.

WRESTLERETTES

Love,
Debbie Duran

1981 ARGUS STAFF

The 1981 Argus Staff consisted of very dedicated and spirited students. Much hard work was put in by these individuals to create this book. You could catch anyone of these people during or after school trying to meet a deadline. Joey Enriquez had the responsibility of being the Editor of the Argus. Kim Simmons assisted him in making numerous decisions that were part of the book. It took much hard work and dedication from these people to create something for the student body. A very special thanks to the whole staff who helped make this book possible.

The 1980-81 James Lick Wrestlers stressed the idea of "quality not quantity" throughout the season. Even without most of the upper weight divisions, the squad managed to enjoy a fine season. Due to forfeitures the dual season compiled only to a 3-5 win/loss record. Great effort was put by the lower and middle weight classes. The smallness of the squad didn't prevent the Comets from doing an outstanding job in the 4 tournaments and post league competition. "We were always competitive and most times feared through the 105 to 138 lb. wt. classes," quotes Coach Carr the Comet mentor. With the loss of only 2 seniors, captains Frank Rocca and Randy Lira, the Comet wrestling squad looks to be a fierce competitor for next year's league honors.

Congratulations to a fine overall season and to an outstanding group of athletes and young gentlemen.

This years Waterpolo team was very inexperienced, with only five lettermen on the team. There were several juniors who came out for the first time and played very well for their amount of experience.

With only three players graduating this year we should be able to find a very experienced team next year.

I would like to commend Matt Britton, who's goal keeping greatly improved this year. Jim Mangin and Mark Wilkerson who scored most of the points. Congratulations to seniors Mike Maiwald and Tony Albert for a year well played.

Just face it, Roach, this year was totally radical. Anyway I'm totally glad that I met you last year. You're a really sweet, nice, funny, Mrs, (or Miss) Hollywood type, radical girl. It was really radical in P.E. I hope we have some class together next year. It better be just as radical as this year. Have a totally radical summer. See you at the Radical Summer Reunion!! PRIDE-SPIRIT-HARD WORKERS-CHAMPIONS. This is the description of the 1980 Varsity Cross Country Team. Undefeated of the League Dual Meet Competition. Winners of the League Championship Meet and in doing so, scored an historic low at 33 points. Winners of four out of five invitational meets.

Frank Munoz, Ben Trujillo, Rick Diaz and Gil Zaragosa were always the top four while James Saldivar, Andy and Randy Pangalina added depth that is needed to insure success.

Others who added to the success of the team included Peter Garza, Marcus Rodriguez, John and Scott Bayer, Chuck Lozane and James Ramos.

Congratulations on a great year. With everyone returning next year we look forward to an even better year.

Coach Antes, Saldivar

This years Cross Country Team began with two experienced runners. They finished the season with a nine wins and one loss. That one loss came at the last meet to Overfelt.

Adam Flores was the top Sophomore with Graham Clark, Jesse Guel, Joe Libby and Galen Ramos providing depth for the very successful Frosh-Soph Team.

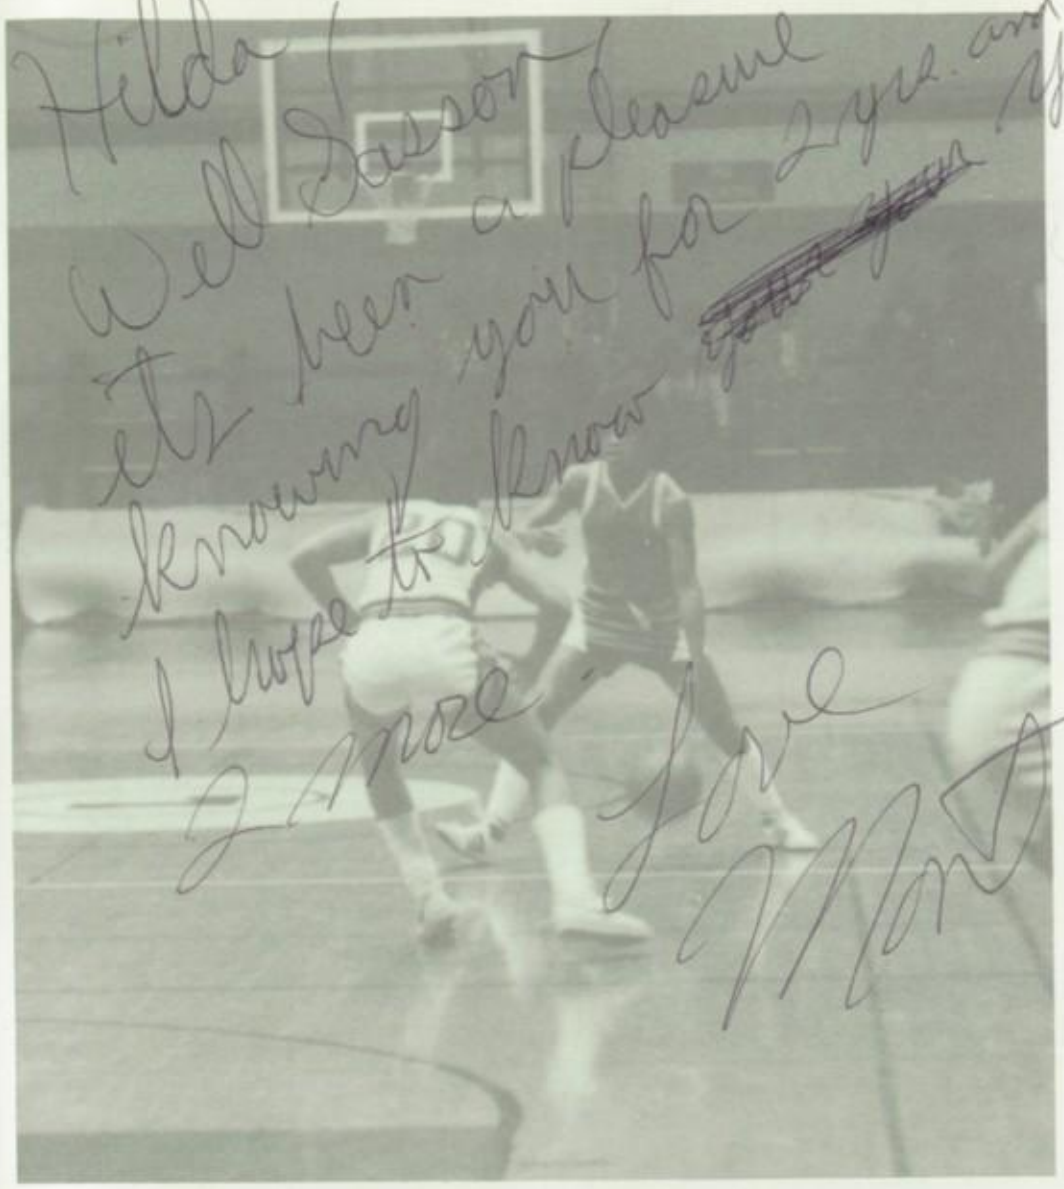
This years Varsity Basketball team, with only two returning starters, experienced a re-building year. However, the young Comets had their wins over Pioneer and Piedmont Hills. Next year's team shows much promise and with some work, they'll have the talent to be MHAL contenders.



This year the Frosh-Soph Basketball team played determined and competitive basketball all season. Enthusiasm was never lacking. Consistent scoring was turned in by Mike Ham, earning him the Most Valuable Player award. Exceptional rebounding and scoring by Monte Williams and Rich Wilson made them consistent threats under the basket. Because of his ball handling, hustle and leadership, Rick Diaz was voted Captain by his teammates. Freshman Jim Ferguson, Todd Cooper and Eric Stewart will be counted on as a nucleus for next year's team.

The boys soccer team has had an extremely successful season. This years team has had more victories than any Comet in the last thirteen years. For the first time in many years the team has won more games than it has lost.

Our entire fullback line, Peter Garza, Damien Pricolo, and Jorge Ibanez, will be returning next year. The "Terrible Duo," Kevin and Tim Baird will also wear the green one more time. In addition we have some very promising young people returning next year, Robert Rios, Victor Perez, Mark Sonesm, and Jorge Montes. These are fine ballplayers and we look forward to seeing them next year.

Top scorers for the season were the Baird brothers, who have scored 23 goals together and superstar Clarence Goes scored 5 times. Other scores were made by Juan Olano, a young Colombian Tiger and a Brazilian, Glaveo Silva. He was of great assistance in the half back role. Goalies Mark Jackson and Tony Aguilar both suffered from lapses of memory, but were a great help and great inspiration.

The team ended their season with a Second Place Division in M.H.A.L. Kevin Baird and Clarence Goes made First Team in M.H.A.L. Tim Baird and Peter Garza were named Second Team. Damien Pricolo and Jorge Ibanez were honored with Honorable Mentioned.

I enjoy coaching this team. It was small, determined and talented. I'm sorry I can't mention them all, but in the words of the Old Brooklyn Dodgers, "Wait'l Next Year!"

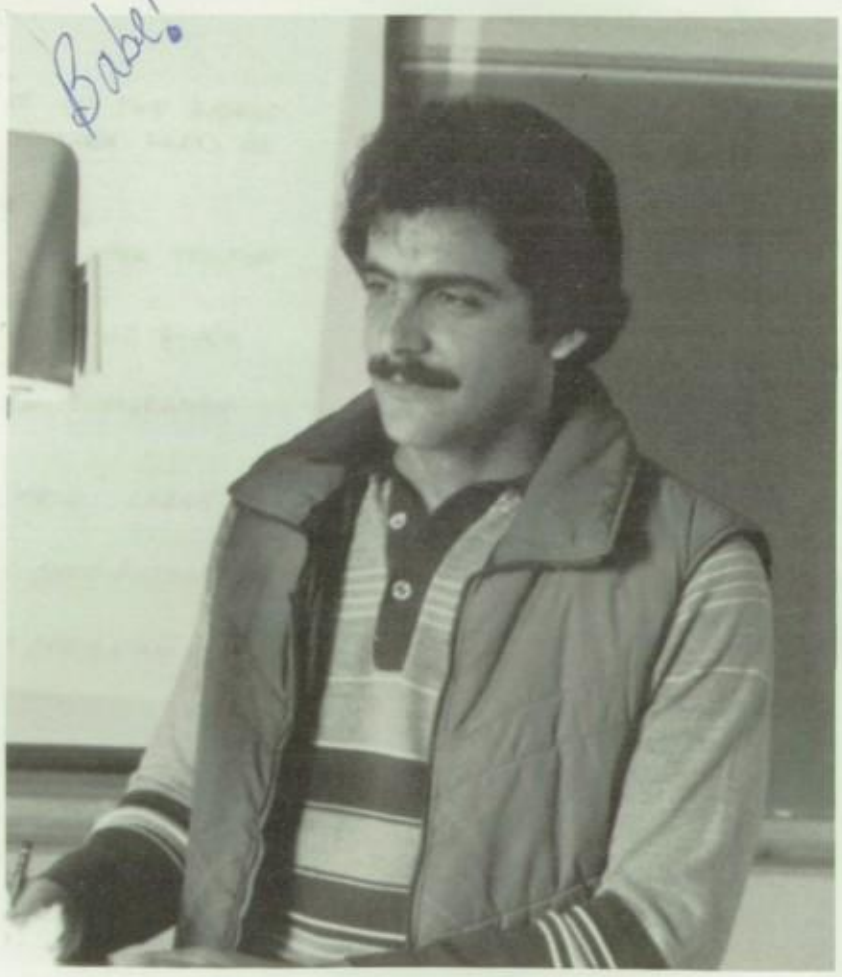
This years Varsity Baseball Team was considered by most coaches as a very young squad. With only four returning senior letter men, the nucleus of the team was made up of juniors and sophomores. What the team lacked in experience they made up with alot of hustle, a will to win, and great deal of determination. The team started out very slow losing a couple of very close one run ball games. We ended up averaging as a team only a couple of strike-outs per game and defensively, we committed the least amount of errors by a James Lick Baseball Team in the past six years.

Our pitching staff was led by senior starter Rudy Bryand and our Ace number one relief-pitcher, Eddie Garcia. Rounding off the pitching chores were handled by Juniors Mario Murillo and Jeff Cheshire. The defense was led by sophomore catcher Mike Ham, who averaged two pickoffs in twenty games, outfielders Jess Guel and junior infielders David Caraccillo and Ron Tiscareno. These four young men set the foundation for their fine baseball team. The hitting department was contributed to by all the members of the squad, but the most consistant were senior All-League shortstop Billy Ham, juniors Ernie Mendoza and Ed Plata and young sophomore Rose Dorr.

We the coaching staff should like to thank the senior co-captains Eddie Garcia and Billy Ham, and wish all the seniors the Best in the future.



Coach Rodriguez

The James Lick Frosh-Soph started slowly, but is gaining momentum under the leadership of pitchers Rudy Acosta and Alex Garcia. Others expected to make great contributions are Troy DeVincentis, Ben Mendez Steve Hazen, Gabe Molina, Rick Martin, Chris Lasaca, Derek Carrisosa, Ken Arechiga, Ray Castillo, Steve Caposio, Steve Arreloa, Chris Carini, Mont Williams, and Ken Wood.

Early season results indicate a successful season looms ahead.

Sprinters Aaron Palmer, Pat York and Joel Harper furnish the team with speed, while Frank Munoz, James Saldivar and Gilbert Zaragoza provide the distance group. James Lick swim team has 11 swimmers this year. That is enough to fill just over one half of the events. Because of this we are not looking forward to very many team victories, but we should have some great personal records. We have the possibility of two swimmers making C.C.S. Time this year.

Another point that is hurting not only our team, but most of the teams in the league is the very short season. The pool was open only seven days before our first league meet.

Lila Avila led the Comets as the No. I singles player with Tara Duggan and Francine Palermo rounding out the ladder in the next two positions. We opened our season with two consecutive wins over Andrew Hill and Overfelt, but faced stronger and more experienced teams after that. Lila went to play in the MHAL Singles Finals where she gave her winning opponent, a tough three set match. Lila and Tara then teamed up for another close match in the MHAL Doubles Finals. Both girls played great and the team was very proud of them.

This years awards went to Erin O'Doherty for Most Inspirational, Jennifer Renzel Most Improved, Francine Palermo Special Achievement and Lila Avila, Most Valuable Player.

The Comets will be losing five of the Varsity players and wish the best of luck to Lila Avila, Francine Palermo, Erin O'Doherty, Ginger Abreu, and Tara Duggan.

Great skill improvements were made by all players especially Laura Whitlach, Most Valuable Player, and Maria Rivera, Most Improved. Johnna Franklin, our only senior, along with Laura Whitlach were named to the MHAL Honorable Mention Team. The team was proud of their accomplishments this year and should do well in 1981, as we will have many returning players.

The junior varsity volleyball team finished their season in first place with a 9-1 record, losing their only game to Yerba Buena. Sandra Guitierrez, Most Valuable Player, and Brenda Proffit, Most Improved, were two outstanding players who helped a great deal with the team's winning season. Paulette LoMonaco, Monica Renteria, Leticia Gonzales, and Betsey Dwyer contributed their part to the success of the team. Angela Booth, a late addition to the roster, was invaluable to the team in the last game against Milpitas.

This year's cross country team finished their league season with 5 losses and 5 wins. Kim Willoughby was the most outstanding runner. Kim was consistantly among the top 10 runners in the league. Her time of 15:58 established a new school record. Tina Graham, a sophomore, was our number two runner this year. Chris Chavez, Jennifer Ramos, and Jenny Pewett gave the back-up support that is so important to all good teams. Angie Silva showed great early season promise but was unfortunately hurt by a knee injury.

The girls swim team completed another season with a small team. Out of 10 members we had 4 girls go to MHAL Finals; Liz McCoid, Ruth Umstadtt, Lisa and Holly Tallman. Lisa, Holly and Ruth also went to CCS and did very well. The highlight of our season was a relay meet at Independence. The relay team of Lisa, Holly, Ruth and Liz took second and third place medals. Although the other members of the team did not qualify for these meets, they showed outstanding improvements and support. The team needs them all back again next year.

This year's track team is a very young team with freshmen, sophomores, and juniors; no seniors. As the season goes on, you will see our team improve in strength and overall team spirit and togetherness. At this time we are number one in the league. We have potential in the 880, the 100 and the 440-yard dash, the mile run, the long jump and the discus throw. These are our stronger events. The team needs much support from the student body.

I hope that you are enjoying the 1981 Argus. Much hard work and dedication was put into making it special. We, the staff, spent long hours creating that one special thing that would give each page or extra touch.

Working to meet deadlines, which seemed to come so fast. We had many disagreements and problems that go with creating something as genuine as this book, but we always seemed to work it out together.

I would like to express my thanks to Ernie Unemoto's and Western School Portraits for their fine pictures. To our yearbook representative; Les Peterson, who really helped us out in determining the outcome of many of our pages; last, but not least, our advisor, Mr. Roy Gilligan, who gave us all the inspiration to strive for our goals in producing this book.

I hope you will enjoy your journey among the pages of this book. As the years pass on, you one day pick this up and skim through the pages and say, "I remembered the time..." I hope you will always remember the Journey you expressed at James Lick High School. Good Luck to The Class of 81.
